Provider Profile

Information provided by the provider describing their agency:

Turning Leaf Agency Corporation is a small private Agency based in lower eastern Connecticut that DEVELOPES specific Individualized Programs for the clients needs. We have 23 years experience working with consumers with all sorts of behavioral concerns. We are also able to provide housing and employment services. Our main goal is to develop a program that the individual wants, not place someone where there is an open spot. We practice an OPEN DOOR policy with consumers and families and strongly work on communication with all involved. The Director is only a phone call away.
